The March-April issue of The United Farmer features The Annual Meeting and Petroleum Awards.

The 1977 Annual Meeting was held March 15-17, 1977. Delegates, the elected representatives of UFA's 60,000 members, met to review the Company's performance, discuss operating reports with management and determine policy. At the Annual Meeting, the Delegates authorized the declaration of a Petroleum Dividend of 7.3% and a Farm Supply Dividend of 3.1%.

1976 was another record sales year in both the Petroleum and Farm Supply Divisions. Earnings were again substantial and the 2nd highest in UFA's history.

What factors contributed to this good growth year for UFA? There is no person or factor that can be singled out as the reason for the successful year just experienced, but recognition must be given to the efficiency of an alert and progressive management — to the Board of Directors for their conscientious guidance — to the Delegates and Advisory Committee Members for their counsel and advice — to our Agents and Member Associations and our staff for their skills, dedication and energies on behalf of United Farmers of Alberta and the industry of agriculture.

UFA pioneered the farm supply field in Alberta so that farmers and ranchers could obtain, as economically as possible, the goods and services needed to serve the agricultural industry. Member support is of the utmost importance and UFA aggressively strives to earn and retain this support through fair prices, consistently high quality and guaranteed customer service.

1976 was a good year and we have the expertise and the people to make 1977 an even better year.
Elections

At the 1977 Annual Meeting, Delegates from the odd numbered electoral districts held elections for the position of Director to the Board of United Farmers of Alberta. Your Directors on the 1977 Board are:

District 1A — Guy Turcotte, Girouxville; District 2B — Elwood Galloway, Fort Saskatchewan; District 3C — Norman White, Innisfail; District 4D — Howard Haney, Picture Butte; District 5E — Allan Sinclair, Vulcan; District 6F — Mervin Giem, Ferintosh; District 7G — Steve Shybunka, Two Hills; District 8H — John Onystchuk, Radway; Affiliated Co-ops — Clare Anderson, Barrhead; Re-elected by the Board of Directors were: President, Howard Haney; 1st Vice-President, John Onystchuk; 2nd Vice-President, Norman White.

At the Annual Meeting
Veteran Delegate Retires

One of United Farmers of Alberta's most conscientious Delegates retired this year. Elected a Delegate to UFA in 1959, Alphy Johnson of Schuler, was instrumental in the planning and organization of numerous Alberta organizations.

Mr. Johnson has his mixed farming operation at Schuler on the family farm where he was born and raised. In 1946, Mr. Johnson helped organize the Drowning Ford Grazing Association and was a director and served as chairman for several years. In 1946, through the direct efforts of this association and former Premier Harry Strom, the Alberta Grazing Association was formed.

Mr. Johnson conducted three petroleum surveys in the Schuler and Hilda areas and eventually a petroleum outlet was established as a joint effort with the Medicine Hat Co-op Association Ltd. He has been a member of the Board of Directors of this association since 1952 and has served as president.

From 1947 to 1965, Mr. Johnson served on the local school board and was chairman of the road committee from 1946 to 1973 and of the Telephone Mutual Association from 1961 to 1972. He was a director and secretary of the local R.E.A. for three years and also very active on the Park Association serving as director and secretary and at various times chairman of all the committees. Youth activities were always important to Mr. Johnson and he served as a 4H leader from 1956 to 1968.

In his eighteen years with UFA, Mr. Johnson earned the respect of his many associates in our Organization who wish him the very best in future years.

New Delegates

A hearty welcome to the new Delegates who attended their first Annual Meeting of United Farmers of Alberta. They contributed positively to the meeting and are certainly an asset to our Organization.

Attending his first UFA Annual Meeting, Art Bonertz proved to be an astute and articulate representative from Sub-district 22. A member of a pioneer Pincher Creek family, he will represent the Pincher Creek area of Alberta.

A beef rancher, Mr. Bonertz raises purebred Herefords, grain and runs a feedlot. He has won awards for his livestock, among them, the Reserve Senior Champion at the Lethbridge Bull Sale and the Reserve Champion Female at the Rocky Mountain Livestock Show and Sale.

Mr. Bonertz is president of local 121-22 of Unifarm, secretary of his local Unifarm and the district director for Unifarm. He is secretary-treasurer of the Pincher Creek Cattle Breeders Association, a member of the Alberta Wheat Pool advisory committee, a director of the Pincher Creek area of the Foothills Forage Association and is active on the parish council of the Catholic Church.

Mr. Bonertz and his wife, Sharon have three children, Tony, Lana, and Todd.

For hobbies, he enjoys music, fishing and golfing.
New Delegates (continued)

Replacing Tom Haddock, who served as the Delegate from Sub-district #14 since 1973, is Ernest A. Fahrion. He will be representing the Drayton-Edson area of Alberta.

Mr. Fahrion was mainly involved in the dairy industry for 25 years and also won awards for several years for the best sheaf of oats and for the best sheaf of barley at the Edson Fair.

A member of the F.U.A. since 1940, Mr. Fahrion was a sub-director for five years and a district director for six years. For the past eight years, he has been the region director of Unifarm.

In addition to his capable and executive contributions to agricultural organizations, Mr. Fahrion has been active in his community. He helped organize the local R.E.A. in 1956 and was a director on this board for four years and chairman until 1976, when the R.E.A. was sold to Calgary Power. Mr. Fahrion was instrumental in organizing the local Natural Gas Co-op and served as chairman of this board for three years.

He served on the local recreational board for three years, and was prominent in organizing the labor and finances to build a community hall in his area. At one time, Mr. Fahrion also coached and managed the local baseball team.

Mr. Fahrion and his wife Josephine have three sons Richard, Barry and Ernie and two daughters Coleen and Judy.

Recently elected to represent the Warner area of Alberta is Eugene Graham of Milk River. Our enthusiastic new Delegate replaces Christian R. Hansen of Milk River, who served as the Delegate from Sub-district #27 for four years.

Born in Lethbridge, Mr. Graham has a mixed operation and raises mostly grain. He has won awards for his grain in the Bonanza Days held in Milk River.

Mr. Graham has served for two years as a director of the Border Rural Electrification Society and served on his local school board for two years.

At the present time, he is Chairman of the Coutts Advisory School Board. Mr. Graham is familiar with our Organization as he served on Mr. Hansen’s Delegate’s Advisory Committee for four years before his election as Delegate.

Mr. Graham and his wife Eileen have five children, Charles 18, Bernadine 16, Doyle 10 and twin sons Shane and Blaine who are five.

Mr. Graham coached baseball for two years. For hobbies, he enjoys fishing and hunting.
New Delegates (continued)

Frank G. Gechter
Seven Persons

Recently elected as the Delegate from the Affiliated Co-ops #1, Frank Gechter succeeds veteran delegate, Alphy Johnson.

A native of Medicine Hat, Mr. Gechter is involved in raising grain and beef. He has won hay and grain prizes at the Medicine Hat Annual Exhibition and Stampede and placed 1st in the 1975 Steer Carcass. His beef herd has been on performance testing for 10 years.

Prominent in community and agricultural organizations, Mr. Gechter has been a director for 13 years of the Medicine Hat Co-op and served one year as president. He has been on the advisory board of the Alberta Wheat Pool and served as secretary for two years. In the Whita Community Club, he has served as president, secretary and has several times been a member of the board. He has also been on the advisory committee of Co-op Implements. At the present time, he is secretary of the Whita-Seven Persons Uniform Local and the curling committee and vice-president of the Medicine Hat Co-op Association. He is also a member of the Southern Alberta Co-op.

Mr. Gechter and his wife Rose have three sons — Rodney, Dwayne and Brian. For hobbies, Mr. Gechter collects stamps, coins and antiques and also enjoys curling.

Harry J. Hite
Edger ton

Born in Cadogan, Harry Hite was away from the farm from 1946-1965.

In 1965, Mr. Hite went into his present farming operation in Edger ton and raises mainly grain, hogs and feeder cattle. He has always been active in organizations and is a member of Uniform and the Alberta Wheat Pool. In 1962, he served as president of the Grande Prairie Kinsmen Club and now belongs to the K-40 Club in Wainwright. He belongs to the Edger ton Masonic Lodge #102 AF & AM and was worshipful master in 1971 and 1972, and is now secretary.

Mr. Hite has served as president of his curling and golf club and presently is a director on the board of the curling club.

When his community decided to build an arena and community hall, Mr. Hite became involved, labor and donation wise. He was very impressed with the outstanding group of organizers for this project and with the total efforts put forth by the entire community.

Mr. Hite and his wife Frances have three children, Pat, Judy and Douglas, who are all married.

He succeeds Glenn Valleeau as the Delegate from Sub-district #41. Mr. Valleeau conscientiously served as a Delegate from the Wainwright area from 1969 to 1977.

Ben Mehlsen
Eureka River

Succeeding Bill Hrab, who served as Delegate for Sub-district #7 for two years, is Ben Mehlsen.

A native of Prince Albert, Saskatchewan, Mr. Mehlsen moved to the Fairview area with his father in 1929. He was married in 1949 and moved to Eureka River which is located approximately 48 miles north-west of Fairview. On his farm, he raises grain, fescue and clover.

Mr. Mehlsen has served on the board of the local United Grain Growers and was a Delegate at two of their Annual Meetings, held respectively in Edmonton and Regina. He also belongs to the Alberta Wheat Pool, Co-op Implements, Bluesky Co-op Store, Worsley Agricultural Society and Worsley Rural Electrification Association.

Mr. Mehlsen, as the elected Delegate from Sub-district #7, will be representing the Fairview area. He and his wife Bertha have four daughters, Rebecca, Keran who is a Registered Nurse at the University Hospital, Edmonton, Elaine who is attending N.A.T. and Evelyn who is attending the University of Alberta.

For hobbies, Mr. Mehlsen enjoys fishing, hunting and most sports.

60,000 ALBERTANS ON THEIR PURCHASES FROM UNITED FAI
At The Annual Meeting

L. to r.: Andrew Klak, Clark Fawcett and Jim Durie.
L. to r.: George Hartley, Roland Bacque and Gordon Jones.

L. to r.: Steve Shybunka, Stuart Inge and Archie Hogg.

L. to r.: Two former members of the R.C.M.P. — Gerry Barnes and Bert Magyar, reminisce at the Annual Meeting.

L. to r.: Bill McCartney, George Sayle and William Driscoll.

L. to r.: Deane Sharpe and Romeo Belanger.
Achievement in Business Management

A thirteen year veteran with UFA, Gerry McKay recently received his Business Management Certificate from the Southern Alberta Institute of Technology and obtained the top marks in his class. The course, which took three years, included Business Administration, Business Planning, Marketing, Personnel Administration, Industrial Relations, Salesmanship, Sales Management and Advertising. He is now taking the Marketing Management Course at S.A.I.T. which he expects to complete in December, 1977.

Gerry started with UFA in Petroleum Accounting in 1964 and then was appointed Marketing Supervisor, a position he held until July, 1971, when he was appointed Marketing Co-ordinator of the Petroleum Division. He has taken many courses related to his work and the majority of these have been taken on his own time after office hours.

Each of the eight courses Gerry took, in order to receive his Business Management Certificate, represented 45 hours of lectures and required at least one hour of home study for each hour of lecture. Anyone who has taken any of these evening courses will appreciate the amount of time and effort they require.

Congratulations, Gerry, on completing your Business Management Course and on the top marks you received.

Appointments

Barry D. Piersdorff

Gerry Metz, Controller of United Farmers of Alberta announced the appointment effective February 15, 1977, of Barry D. Piersdorff as Supervisor of Financial and Petroleum Accounting.

A native of Edmonton, Mr. Piersdorff attended schools in Edmonton and Ottawa. He has ten years experience in the accounting field and was with Narwhal Arctic Service for 7½ years, the last three years as Chief Accountant. Mr. Piersdorff spent two years in Fort McMurray as part of the Bow Valley Group, which includes Narwhal Arctic Services. He was also associated for two years with Sherritt Gordon Mines Ltd. in Northern Mines, Lynn Lake.

Presently enrolled in the R.I.A. Programs through the Society of Industrial Accountants and the University of Calgary, Barry has also taken several courses related to his work, including the Supervisory Management Program, Parts 1 and 2, from the American Management Association. In his responsible position, Barry will supervise the functions of the financial and petroleum accounting departments.

For hobbies, he enjoys skiing, hiking, canoeing and is an avid CB'er.

Jim F. Turner

On February 1st, 1977, Jim Johnson, Treasurer of UFA announced the appointment of Jim Turner as Manager of Data Processing.

Mr. Turner brings to his position 11 years of diversified data processing experience. Originally from Winnipeg, Jim attended Daniel McIntyre Collegiate and then went on to take many programming and systems courses related to his work. He was employed with Canadian Indemnity Insurance for several years as Supervisor of Systems and Programs.

For the last two years, Mr. Turner has been with Sperry-Univac Corporation as Senior Systems Analyst. He had the primary responsibility, while with Univac, for the computer conversion in our Organization and is familiar with our operation and specifically with the new 90/30 computer that UFA now has.

Jim and his wife Vivian have a son Jamie Lee. For hobbies Jim enjoys sports, reading, hunting and fishing.
Delegates arrive by chartered bus at the head office.

The Delegates’ Workshop, held on the last day of the Annual Meeting, took the form of a working tour of the new head office.

The Delegates’ Information Committee requested this tour and asked the Information Service Division to organize and co-ordinate it. The Delegates Information Committee, comprised of Gerry Barnes, John Boychuk, Lawrence Henderson, Jack Swainson and Allan Zwierschke acted as Tour Leaders. Ron Scheurkogel was the Tour Co-ordinator and he was ably assisted by Tour Guide Assistants Paula Carey, Edna Dlugan, Sue Hebenton, Faye Hutchins, Bonnie Nordean, and Gail Shephard.

There were five tours going on simultaneously with approximately 12 Delegates in each tour. Member Records, Farm Supply Accounting, Financial Accounting, Petroleum Accounting, Credit Department, Printing and Stationery, Data Processing, Information Service, Payroll and Personnel were all visited. In addition, Larry Hansen gave a presentation, in the board room, on the organizational structure of UFA and Harry Wood gave a presentation, in the conference room, on the physical aspects of the new building.

The delegates thoroughly enjoyed the tour and asked many questions and were given competent answers by the staff. Many delegates commented that while they were impressed by the physical facilities of the new building, they were even more impressed by the cheerful, efficient approach of the staff to their duties.

Bill Duimel, Printing

N CASH WILL BE PAID OUT TO 60,000 ALBERTANS ON THEIR
A Petroleum Agent has many responsibilities. To many of our member-owners, he is one of the closest liaisons they have with United Farmers of Alberta.

UFA Agents know their job and understand the importance of a dependable fuel supply. They can be relied upon to give sound advice on the right oil for all farm equipment.

In 1976, sales records were again established by the Petroleum Division. To the front line representatives — our Agents and Petroleum Managers of Member Associations — it is well recognized that it was your individual initiative, aggressive performance and hard work, that greatly contributed to another successful year.

Petroleum Awards were recently presented for Volume Increase, Most Improved Lube Oil Ratio and Farm Calls categories, provincially and in each of the respective petroleum territories.

Winners in each category received a trophy and a cheque, and the runners-up were each presented with a cheque.

PURCHASES FROM UNITED FARMERS OF ALBERTA
Million Gallon Club

In 1975, the Million Gallon Club was created. Agents or Member Associations that sold one million gallons or more in the fiscal year qualified for membership.

In recognition of this achievement, each member of the Million Gallon Club received a plaque for selling one million gallons and a gold bar for each of the next million gallons sold.

In 1975, there were 23 Agents or Member Associations who qualified for membership in the Million Gallon Club. In 1976, 8 new members were inducted.

For the second year, members of the Million Gallon Club competed against each other in the Volume Increase Awards in the North and South Regions and were separately recognized.

Provincial Winners

Best Volume Increase

Allan P. Smith
Calgary

Born and raised on his family's farm in the Balzac and Shepard areas, Al joined the Royal Canadian Navy and served during the war on aircraft carriers. After his discharge, he was a constable, for some time, with the Calgary City Police. He became a dealer with Imperial Oil in 1949 and operated Esso Service Stations for 18 years. He was also involved in long distance trucking for several years. In April, 1968, Al joined UFA.

He has worked hard and his dynamic drive to increase volume at Smith's Petroleum has achieved outstanding results. He has been a consistent winner in the Agents' Performance Awards.

Competent help, good customer relations, clean reliable equipment, regular staff meetings to promote efficiency and service, proper invoicing, care in not filling tanks too full — extreme care when switching products — delivery units pumped off and filled with gas in readiness for the next morning — these are only some of the many details, major and minor, that are important to Al, and his efficient management is reflected in the success of Smith Petroleums.

Al and his wife Barbara live near De Winton and Al is a member of the De Winton Community Association and the Army and Navy Club.

Most Improved Lube Oil Ratio

John Yanco
Fort Macleod

Since April, 1974, when John Yanco became United Farmers' Agent at Fort Macleod, he has made a determined effort to increase his sales — and the results have been excellent. John not only won the Provincial Lube Oil Ratio Award, he was also a Territory Runner-Up in Best Volume Increase and Runner-Up in the Most Farm Calls category.

Originally from the Fort Macleod area, John received his schooling at Peace. He owned and operated a service station and body shop in Fort Macleod for a number of years and prior to that farmed at Peace.

John and his wife Frances were determined right from the start to make their Agency one of UFA's best. Frances has worked at the Agency since John took it over and gives her husband all the support she possibly can. This is really a family business as the Yancos' eleven year old son Richard, likes to help out at the Agency and has been doing it since he was eight years old.

Most Farm Calls

Gib Paradis
Edmonton

Gib has been an outstanding pace setter in the Petroleum Division — never content to rest on yesterday’s sales figures and treating each day as if it was his first on the job. This is clearly shown by the fact that as this year's Provincial Farm Call Winner, Gib was also the North Region Million Gallon Club Winner.

Born in Edmonton, Gib received his schooling in the Sturgeon School Division. He worked at the Edmonton Agency as a Driver-Salesman, Dispatcher and eventually Manager. In September, 1968, he became the Agent at Edmonton.

Gib operated his own mixed farm in the Fort Saskatchewan area for 20 years. Active in his community, he served terms as secretary and president of his local F.U.A.

Any mention of Paradis Fuels would be incomplete without Sigrid Meuhrer. Officially Sigrid is the bookkeeper, but her responsibilities and duties are many. She has been with the Edmonton Agency since August, 1961 and has been an outstanding and efficient support to Gib in his business.

Gib and his wife Myrtle have four children Barbara, Edith, Robert and Cathleen.
